## Dr. Jekyll & Mr. Hyde

## Chapter 1

| pai |  |  |
|-----|--|--|
|     |  |  |

| 1. | The      | first character we meet is Mr. Utterson.                                |            |
|----|----------|---|------------|
|    | Try t    | to describe him in your own words:                                      |            |
|    |          |   |            |
|    |          |   |            |
|    |          |   |            |
|    |          |   |            |
| 2. | How      | does he make friends? And what is his attitude towards them?            |            |
|    |          |   |            |
|    |          |   |            |
| 3  | The      | next character is Mr. Richard Enfield. What do these two do together?   |            |
