

JAMAICA – Slavery, Rastafari and Reggae

TALKING POINTS

Text C1

A merchant

Describe how Mr John Hardman has organised his merchant business

Text C2

The triangular trade

Describe the mechanics of this trade – in terms of raw materials, processing, industrial goods and profits.

What was the effect on the economy (and society) of the countries involved?

Text C7

Britain and India

What does Coupland say about the Britain/India connexion after the American revolution

Compare with "The white man's burden"

Did the American revolution have an effect on Britain's attitude to the slave trade?

Text C8

Jamaica after the American revolution

Orlando Paterson lists five points that had a negative influence on Jamaica's economy – and they are?

What is his point (in the end) about the abolition of slavery and the economy?
